FAST FIT
CUBICLES IN A BOX

TYPICAL LAYOUT CONFIGURATIONS AVAILABLE

Manufactured in the UK, our innovative products are made to the highest of standards.

Each of our Fast-Fit Systems are tailored for functionality by our in-house team allowing you confidence specifying Total Cubicles for all your Washroom needs. With over 45 years' industry experience, our friendly staff will offer helpful advice on all our products.

Fast-Fit Cubicles In A Box range are a cost effective cubicle system.

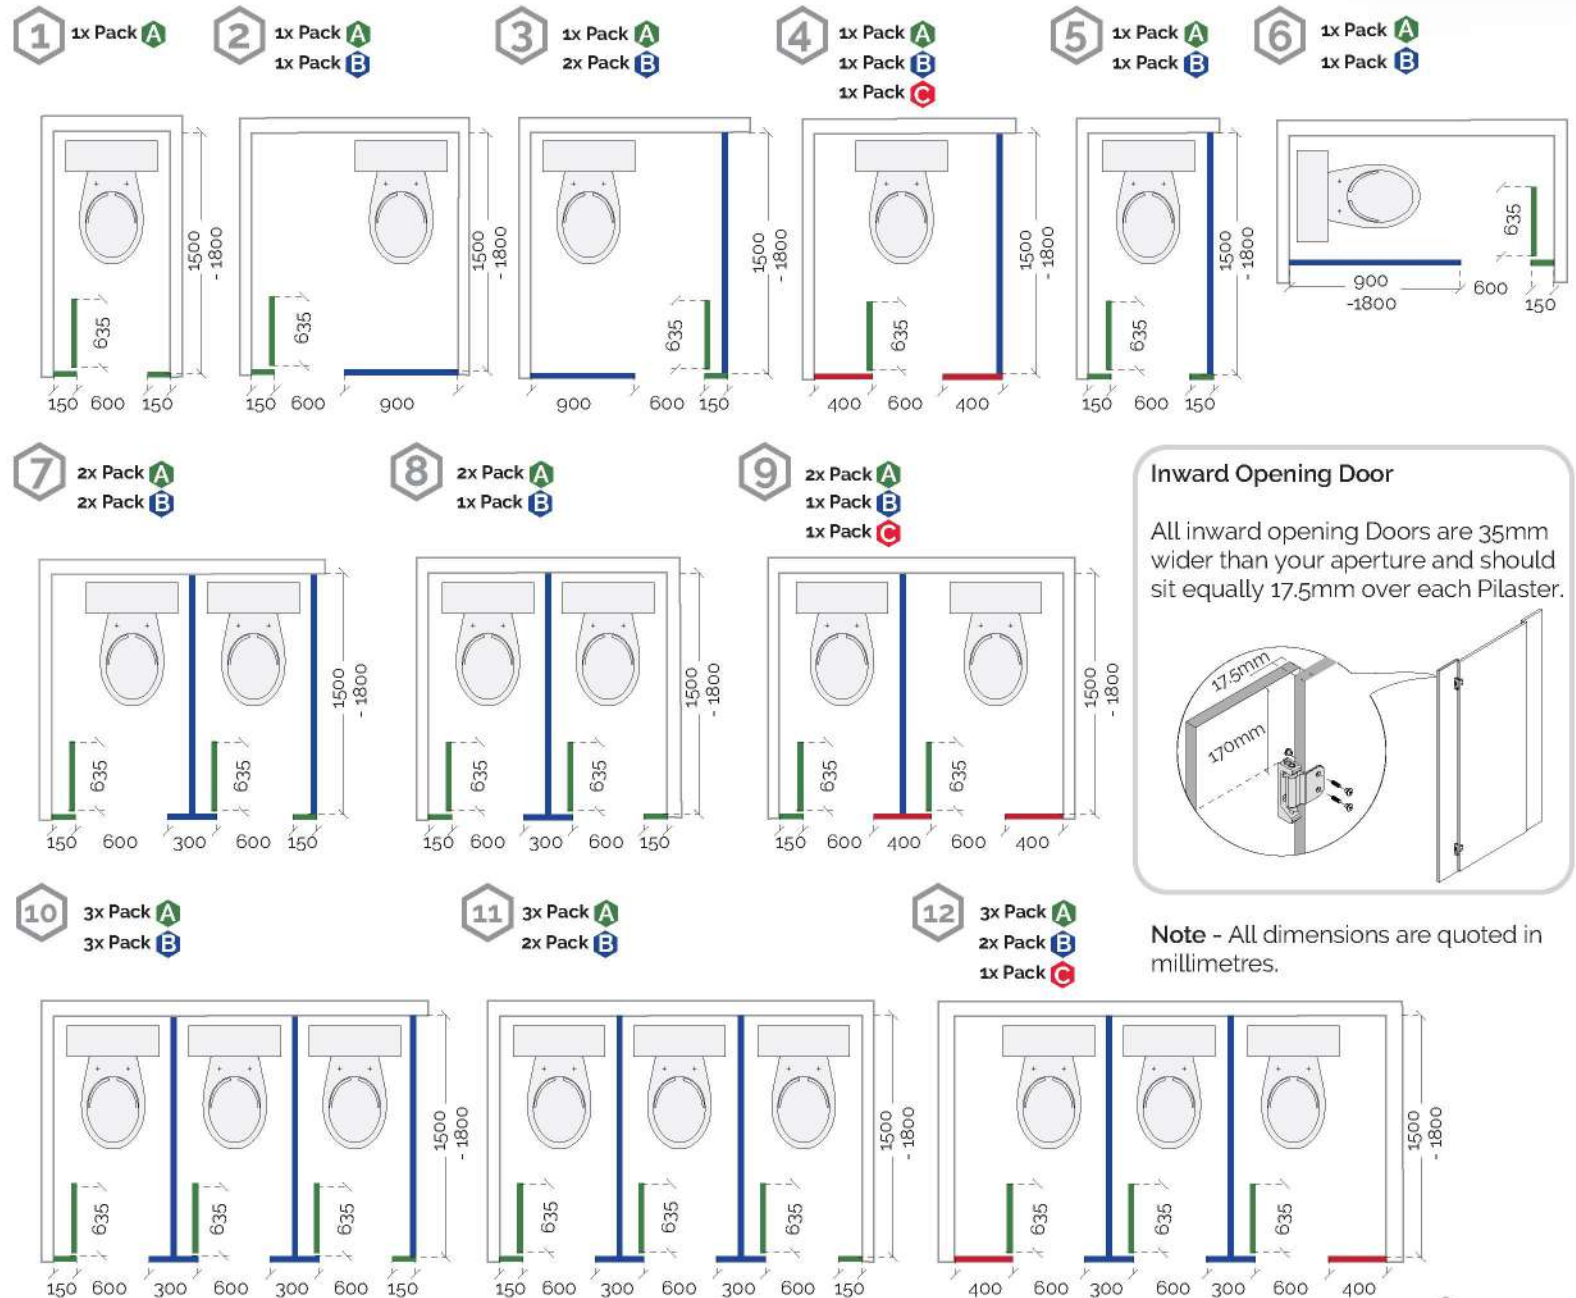

Functional, durable and attractive; manufactured in the UK from 19mm HPC boards. They are suitable for low-mid traffic.

Available in 3 colour options, White, Cream and Grey.

Disclaimer - Disability Discrimination Act - Building Regulations:

The responsibility for washroom compliance with current building regulations lies with the project manager. However, on request, we can offer advice on this subject.
